This Dx-Pedition, arranged with superb help from LEN - VP2GLE, was designed as a vacation - contest operation from "SPICE ISLAND" for the February 1972 ARRL Phone - CW Contests. Operations were handled by TONY - W3AOH, ART - W3TV, ROBBY - W4GIV and BILL - W3VW, ably assisted by their XYL'S. We hope we have given you a new one or at least some fun raising us.
